## **Curriculum Vitae**

*As of February 7, 2019*

### **PROFESSIONAL EXPERIENCE**

#### **Founder and Chief Consultant**

MBA DNA Consulting, LLC  
Los Angeles, CA  
mbadnaconsulting.com  
October 2009 to Present

- Provide consultation services to attorneys and inmates including: DNA case file review, expert witness testimony, assistance with trial preparation, observation of consumptive DNA testing, evidence collection, making arrangements for DNA testing, and education
- Run day-to-day operations of LLC including: sales and marketing, accounting, and on-line presence

#### **Consultant**

Loyola Law School-Project for the Innocent  
Los Angeles, CA  
January 2019-Present

- Subgrantee of NIJ Postconviction Testing of DNA Evidence grant

#### **Member-Advisory Council**

Innocence Matters  
Torrance, CA  
February 2015 to Present

#### **Member-Board of Directors**

Human Identification Technologies, Inc.  
Redlands, CA  
January 2005 to August 2010

- Served as Secretary

**Consultant**

County of Los Angeles, Department of Coroner  
Los Angeles, CA  
April 2009 to June 2009

- Developed a project plan to add DNA testing services

**Vice President/Laboratory Director/DNA Technical Leader/Quality Assurance Officer**

Human Identification Technologies, Inc.  
Redlands, CA  
January 2005 to October 2009

- Co-founded California's first ASCLD/LAB-*International* accredited forensic DNA laboratory. Involved in refining concept, authoring business plan, designing facility, and corporate structuring. Conducted initial internal validation studies and was primary author of documentation required for accreditation.
- Duties included: managing technical operations, recruiting and supervising technical staff, maintaining management system documents, coordinating quality audits, performing forensic biology (DNA) testing and consultation casework, performing technical and administrative reviews, and providing expert witness testimony.

**Criminalist II**

San Bernardino County Sheriff's Department Scientific Investigations Division  
San Bernardino, CA  
December 1998 to January 2005

- DNA Technical Leader March 2004 to January 2005
- Performed body fluid identification
- Performed DNA testing
- Expertise included PM+DQA1, D1S80, and STR testing
- Trained new analysts
- Performed technical and administrative reviews of casework
- Prepared reports of analyses and provided courtroom testimony

**Forensic Scientist I/II**

Orange County Sheriff-Coroner's Department  
Santa Ana, CA  
September 1997 to December 1998

- Performed chemical analyses on controlled substances and substances associated with clandestine drug manufacture
- Assisted in the processing of clandestine drug laboratory crime scenes
- Prepared reports of analyses and provided courtroom testimony

**Criminalist I**

San Bernardino County Sheriff's Department Scientific Investigations Division  
San Bernardino, CA  
April 1996 to September 1997

- Performed chemical analyses on controlled substances and substances associated with clandestine drug manufacture
- Assisted in the processing of clandestine drug laboratory crime scenes
- Prepared reports of analyses and provided courtroom testimony

### **Forensic Laboratory Technician Trainee**

San Bernardino County Sheriff's Department Scientific Investigations Division

San Bernardino, CA

March 1996 to April 1996

- Performed screening tests for blood and semen
- Preserved biological stains for later testing
- Processed sexual assault evidence
- Prepared reports of analyses

### **Laboratory Technician**

Abbott Laboratories (via Manpower Technical)

Abbott Park, IL

August 1995 to February 1996

- Performed enzyme immunoassay for the detection of HIV antibodies

## **FORMAL EDUCATION**

### **Master of Science, Criminalistics**

2003

California State University at Los Angeles

*Thesis title "EVALUATION OF PROTOTYPES OF ROCHE APPLIED SCIENCE'S LINEAR ARRAY™ MITOCHONDRIAL DNA HVI/HVII REGION-SEQUENCE TYPING KIT FOR FORENSIC MITOCHONDRIAL DNA TYPING"*

### **Bachelor of Science, Biochemistry**

1995

University of Illinois at Chicago

## **COURTROOM TESTIMONY EXPERIENCE**

### **DNA**

Qualified as an expert in PM+DQA1, D1S80, and STR testing technologies

Superior Court, California Counties of: San Bernardino, Riverside, Orange, Los Angeles, San Diego, Tulare, and Mariposa

Superior Court, Clayton County, Georgia

U.S. District Court of California-Los Angeles

U.S. District Court of California-San Francisco (civil trial)

U.S. District Court of Arizona-Phoenix

U.S. District Court of Arizona-Tucson

U.S. District Court of Utah-Salt Lake City

## **OTHER**

Qualified as an expert witness in the analysis of controlled substances and/or controlled substance manufacture.

Superior Court, California Counties of: San Bernardino and Orange

Municipal Court, California Counties of: San Bernardino, Orange, and Los Angeles  
Federal Court: Syracuse, New York and Los Angeles, CA

## **CERTIFICATIONS**

### **AMERICAN BOARD OF CRIMINALISTICS**

Certificate of professional competency in criminalistics (molecular biology specialty)

Diplomate status – December 2011 to present

Fellow status – June 2001 to December 2011

### **AMERICAN BOARD OF CRIMINALISTICS**

Certificate of professional competency in criminalistics (general)

Diplomate status – December 1998 to present

## **AUDITOR TRAINING**

### **ASCLD/LAB INSPECTOR TRAINING**

ASCLD/LAB, held in Springfield, Oregon in conjunction with

Oregon State Police Laboratory

December 2004

### **FBI DNA QUALITY ASSURANCE AUDIT DOCUMENT**

FBI Academy, Quantico, VA

April 2004

## **PRESENTATIONS AT PROFESSIONAL MEETINGS**

Anjaria, M. "DNA in the Courtroom", presented at the Los Angeles County Bar Association Indigent Criminal Defense Program Summer Seminar, April 2017, Los Angeles, California

Anjaria, M. "Leveling the DNA Playing Field-A Practical Approach", presented at the quarterly regional investigator training hosted by the Riverside County Public Defender, October 2015, Riverside, California

Anjaria, M., Fenesan K, Giamanco C. "An Investigation Into PCR Inhibition Issues Encountered Using Microcon for DNA Extraction, and Subsequent Validation of the Vivacon 2 for Casework DNA Extraction", presented at the California Association of Criminalists Spring 2009 seminar, Lake Arrowhead, California

Anjaria, M. "Understanding the Scientific Process", presented at 'Science, Mental Health, and Strategies'-a Solano County Public Defender Office Seminar, August 2007, Fairfield, California

Anjaria M. "DNA Testing Issues", presented at the 7<sup>th</sup> Annual Public Defender Retreat, April 2007, Las Vegas, Nevada

Anjaria M. "Surviving an ASCLD/LAB-*International* Inspection", presented at the California Association of Crime Laboratory Directors Spring 2007 Seminar, Temecula, California

Anjaria M., Kern B. "Considerations in the Design, Validation, and Accreditation of a Forensic, Casework-Focused DNA Laboratory", poster presented at the 17<sup>th</sup> Annual International Symposium on Human Identification, 2006, Nashville, Tennessee

Plourd C., Clarke G., Anjaria M. "DNA: A Review and Perspective From All Sides", presented to the San Diego County Bar Association, 2006, San Diego, California

Anjaria M. "Experiments With Prototypes of a 'Linear Array' System for the Streamlined Forensic Analysis of Mitochondrial DNA", presented at the California Association of Criminalists Fall 2004 seminar, Ventura, California

Anjaria M., Calloway C, Reynolds R, Grow M, Gregonis D. "Mitochondrial DNA Analysis of Crime Scene Samples Using Prototypes of the LINEAR ARRAY™ Mitochondrial DNA HVI/HVII Region-Sequence Typing Kit", presented at the California Association of Criminalists Fall 2003 seminar, San Diego, California

Anjaria M., Calloway C, Reynolds R, Grow M, Gregonis D. "Mitochondrial DNA Analysis of Crime Scene Samples Using Prototypes of the LINEAR ARRAY™ Mitochondrial DNA HVI/HVII Region-Sequence Typing Kit", poster presented at the 14<sup>th</sup> Annual International Symposium on Human Identification, 2003, Phoenix, Arizona

Anjaria M. "Better Than Your Average Clan Lab", presented at the California Association of Criminalists Fall 1999 seminar, Ontario, California

Anjaria M. "Cook Fails Chem 101: Hydrogen Sulfide Fatality," presented at the California Association of Criminalists Fall 1997 seminar, Irvine, California

## **ABSTRACTS**

Calloway C., Anjaria M., Williams D, Naderi S, Herrin G, Reynolds R. "An Investigation of the Frequency of Contamination Detected by mtDNA Analysis of Blood Samples Extracted for RFLP and PCR Based Typing", presented at the Annual Meeting of the American Academy of Forensic Sciences, 2002, Atlanta, Georgia

Williams D., Anjaria M., Calloway C, Herrin G, Reynolds R. "Analysis of Mitochondrial DNA Sequence Variation in Forensic Samples Using Linear Arrays of Immobilized Sequence-Specific Oligonucleotide Probes and Sequencing", poster presented at the Annual Meeting of the American Academy of Forensic Sciences, 2002, Atlanta, Georgia

Williams D, Calloway C, **Anjaria M**, Herrin G, Reynolds R. "Analysis of Forensic Samples Using Linear Arrays of Immobilized Sequence-Specific Oligonucleotide Probes and mtDNA Sequencing", poster presented at the 12<sup>th</sup> Annual International Symposium on Human Identification, 2001, Biloxi, Mississippi

## **PUBLICATIONS**

Anjaria, Mehul B., "Forensic DNA Evidence," California Attorneys for Criminal Justice Forum, volume 32, number 2, July 2005, page 13

Anjaria, Mehul B., and Evans, Hiram K., "Cook Fails Chem 101: Hydrogen Sulfide Fatality," Journal of the Clandestine Laboratory Investigating Chemists Association, volume 7, number 3, July 1997, page 5

## **CONTINUING EDUCATION-2010 TO PRESENT**

California Association of Criminalists Fall 2018 DNA Workshop  
San Diego, CA  
October 2018 – Approximately 7 hours of presentations

HID Future Trends in Forensic DNA Technology Seminar Series by Thermo Fisher Scientific  
Richmond, CA  
August 2018 – Approximately 6.5 hours of presentations

California Association of Criminalists Spring 2018 DNA Workshop  
Concord, CA  
May 2018 – Approximately 7 hours of presentations

California Association of Criminalists Spring 2018 Seminar  
Concord, CA  
May 2018 – Approximately 12 hours attendance of scientific paper presentations in general session

California Association of Criminalists Fall 2016 DNA Workshop  
Rancho Mirage, CA  
November 2016 – Approximately 7 hours of presentations

American Academy of Forensic Sciences 68<sup>th</sup> Annual Scientific Meeting  
Las Vegas, NV  
February 2016 – Approximately 16 hours attendance of scientific paper presentations

2015 "HID Future Trends in Forensic DNA Technology-Presented by Thermo Fisher  
Los Angeles, CA  
September 2015 – Approximately 6 hours of presentations

California Association of Criminalists Spring 2015 DNA Workshop  
'DNA: Mixture Interpretation and Probabilistic Genotyping'  
Ventura, CA  
May 2015 – Approximately 8 hours of presentations

25th International Symposium on Human Identification  
Phoenix, AZ  
September 2014 – Approximately 16 hours attendance of scientific paper and poster presentations

California Association of Criminalists Spring 2014 DNA Workshop  
San Diego, CA  
May 2014 – Approximately 7.5 hours of presentations

California Association of Criminalists Spring Seminar  
San Diego, CA  
May 2014 – Approximately 5 hours attendance of scientific paper presentations in general session

American Academy of Forensic Sciences 66<sup>th</sup> Annual Scientific Meeting  
Seattle, WA  
February 2014 – Approximately 14 hours attendance of scientific paper and poster presentations

Life Technologies 2013 Future Trends in Forensic DNA Technology Seminar  
Los Angeles, CA  
August 2013 – Approximately 8 hours of presentations

California Association of Criminalists Spring 2013 DNA Workshop  
Pasadena, CA  
May 2013 – Approximately 8 hours of presentations

California Association of Criminalists Spring Seminar  
Pasadena, CA  
May 2013 – Approximately 20 hours attendance of scientific paper presentations in general session

22<sup>nd</sup> International Symposium on Human Identification  
National Harbor, MD  
October 2011 – Approximately 16 hours attendance of scientific paper and poster presentations

California Association of Criminalists Spring 2011 DNA Workshop  
Long Beach, CA  
May 2011 – Approximately 7 hours of presentations

2010 Future Trends in Forensic DNA Technology Seminar  
Applied Biosystems HID University  
Anaheim, CA  
July 2010 – Approximately 5 hours of presentations

American Academy of Forensic Sciences 62<sup>nd</sup> Annual Scientific Meeting  
Seattle, WA  
February 2010 – Approximately 12 hours attendance of scientific paper and poster presentations

## **SPECIALIZED TRAINING (DNA)**

Presenting DNA Evidence in Court  
Workshop at 20<sup>th</sup> Annual International Symposium on Human Identification  
Las Vegas, NV  
October 2009 – Approximately 4 hours

Discover Value in Mass Fatality DNA Identification Response Planning-  
AABB Mass Fatality DNA Identification Operations Guidance Document Launch  
Workshop at 20<sup>th</sup> Annual International Symposium on Human Identification  
Las Vegas, NV  
October 2009 – Approximately 4 hours

14<sup>th</sup> Annual National CODIS Conference  
Arlington, VA  
November 2008 – Approximately 12 hours

Advanced Topics in Forensic Statistics  
Workshop at 17<sup>th</sup> Annual International Symposium on Human Identification  
Nashville, TN  
October 2006 – Approximately 7 hours

Advanced Topics in STR DNA Analysis  
Workshop at American Academy of Forensic Sciences 58<sup>th</sup> Annual Meeting  
Seattle, WA  
February 2006 – Approximately 7 hours

Extraction of DNA from Aged Skeletal Remains and Forensic Mitochondrial DNA Sequence  
Analysis  
Armed Forces DNA Identification Laboratory  
October 2005 - Approximately 35 hours

Advanced 310 Genetic Analyzer and AmpFISTR® Training  
Applied Biosystems  
March 2002 – 30 hours

Analysis of Short Tandem Repeats by Capillary Electrophoresis  
Federal Bureau of Investigation  
August 2001 – Approximately 34 hours

Mitochondrial DNA Testing Using Linear Arrays  
Cassandra Calloway, Roche Molecular Systems  
April 2001 – Approximately 16 hours

DNA – Polymerase Chain Reaction: Short Tandem Repeat Analysis and Typing  
California Criminalistics Institute  
March 2001 – 28 hours

Population Genetics  
California State University, Los Angeles  
Winter 2000 – four quarter units

Statistics in DNA Analysis  
California Criminalistics Institute  
October 1999 – 16 hours

DNA – Polymerase Chain Reaction: DQA1 / Polymarker  
California Criminalistics Institute  
April 1999 – 40 hours

Molecular Biology  
University of California at Riverside  
Winter 1997 – four quarter units

### **OTHER SPECIALIZED FORENSIC TRAINING**

Accreditation of Forensic Science Laboratories Under ISO/IEC 17025: Addressing Specific Requirements in the Accreditation Process  
Workshop at American Academy of Forensic Sciences 58<sup>th</sup> Annual Meeting  
Seattle, WA  
February 2006 – Approximately 7 hours

Preparing a Forensic Science Laboratory for Accreditation Under ISO 17025  
Workshop at American Academy of Forensic Sciences 57<sup>th</sup> Annual Meeting  
New Orleans, LA  
February 2005 – Approximately 7 hours

Mass Spectra Theory and Interpretation  
California Criminalistics Institute  
October 1998 – 24 hours

Clandestine Laboratory Analysis and Synthesis  
California Criminalistics Institute  
September 1998 – 40 hours

Methamphetamine: Synthesis, Pharmacology, Analysis and Toxicology Workshop  
American Academy of Forensic Sciences  
February 1998 – 7 hours

Clandestine Laboratory Safety Certification  
Bureau of Narcotics Enforcement  
December 1997 – 40 hours

Clandestine Laboratory Investigation Training Seminar  
California Narcotic Officers Association  
July 1997 – 16 hours

Clandestine Laboratory Overview  
California Association of Criminalists  
May 1997 – 8 hours

Basic Microscopy  
California Criminalistics Institute  
September 1996 – 40 hours

Courtroom Presentation of Evidence  
San Bernardino County Sheriff's Department  
September 1996 – 16 hours

Training Conference  
Clandestine Laboratory Investigators Association  
August 1996 – 32 hours

## **MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS**

### Current

Criminal Courts Bar Association of Los Angeles  
Elite Court Experts

### Past

Association of Court Panel Investigators-Los Angeles  
California Association of Criminalists  
American Academy of Forensic Sciences  
California Association of Crime Laboratory Directors  
Clandestine Laboratory Investigating Chemists Association

## **OTHER**

Fidler Institute on Criminal Justice  
Loyola Law School, Los Angeles  
April 2018 – 8 hours

Loyola Law School Summer Institute  
Loyola Law School, Los Angeles  
July-August 2017 – 24 hours

Fidler Institute on Criminal Justice  
Loyola Law School, Los Angeles  
March 2017 – 8 hours

Invited representative of the science and technology communities  
Regional Meeting on Science and the Law  
Judicial Council of California  
Science and the Law Steering Committee  
October 16, 2006 – Burbank, CA
